DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

The reasons are as given previously. This amendment cannot be entered. The claim it refers to is not pending. AS INDICATED TWICE PREVIOUSLY, ONLY THE COMPOUND CLAIMS 8 AND 15 ARE PENDING. Claim 1 is NOT pending. Therefore it CANNOT be amended, and therefore claim 8 CANNOT depend on it. Prosecution on the merits is closed. Claims refused by the Board of Patent Appeals and Interferences are no longer pending once the period for request for reconsideration has passed. See 1214.06. The fact that applicants consider the composition and method claims to be patentable is of no relevance, as these claims were refused by the Board. Prosecution of such subject matter will require a divisional application.

Again: Claims 8 and 15 must be placed in independent form (or, claim 15 can be made dependent on claim 8). This is the last *Quayle* which will be issued by the PTO. If applicants do not comply, the case will be held abandoned.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

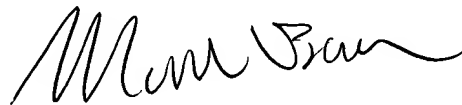

A shortened statutory period for reply to this action is set to expire TWO MONTHS from the mailing date of this letter.
